Dear Chair and Ranking Member,

I am requesting funding for Concord School Restoration in Leon County in fiscal year 2022.

The entity to receive funding for this project is Leon County Board of County Commissioners, located at 301 South Monroe Street, Tallahassee, FL 32301.

The funding would provide a funding level of \$1,000,000 to support the restoration of the historic Concord School building to facilitate its use as a rural community center supporting Miccosukee community. The building is in need of significant repairs and renovations. This will enable Leon County to consolidate the existing Miccosukee Community Center, which has reached the end of its life cycle, into Concord School building. The project includes enhancements to the Concord School's exterior and the air conditioning, plumbing and electrical systems. With these improvements this historical building located in a remote more rural area of Leon County, will provide a much needed community facility, which will serve as the meeting place for the local Boys & Girls Club, the Miccosukee Youth Foundation, the Leon County Senior Outreach Center, and more.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Al Lawson
Member of Congress
